Christ First Teen Ministry is our high school teen group here at OLH. This is **not like** your religious education class or religion class in **grade school**. This is a life changing place where you can grow in your faith with people your age and make lifelong friends. We do a lot in our community and a lot at Our Lady of Humility.....Christ First Sunday, social events, service opportunities, and so much more. You can help decide. So please, read on and join us this year!

Christ First Sundays

Christ First Sundays (CFS) takes place two Sunday nights per month 7:00 - 9:00 p.m. It's a great place to meet other high school teens that are also trying to strengthen their relationship with God. Expect new content this year along with the usual service, social, small group discussions, food and friends.
